

A 3D rendering of a white, square, recessed ceiling light fixture. The fixture has a clean, modern design with a slightly raised outer rim and a central circular opening. A small, dark rectangular detail is visible on the inner surface of the rim. The lighting is soft and even, highlighting the fixture's form against a plain white background.

5

Technical drawings of the E62324 wheelchair, showing front, side, and top views, and a table of dimensions for various models.

Front View: Shows the overall width (B) and height (A) of the wheelchair.

Side View: Shows the height of the seat (128 ± 2), the height of the backrest (116 ± 2), and the height of the footrest (26 ± 2). The backrest is adjustable, with a range of 18 to 100 cm and a P% adjustment range.

Top View: Shows the width of the seat (340) and the width of the backrest (71). The backrest is adjustable, with a range of 40 to 113 cm.

Table of Dimensions:

mm	A	B	C	P%	11
E62324	805	1005		2,6%	11
E62326	805	1205		2,6%	11
E62327	905	1205	150	2,3%	11
E62329	805	1405		2,6%	14
E62330	905	1405	240	2,3%	14
E62331	805	1505		2,6%	14
E62332	805	1605		2,6%	14
E62333	905	1605	900	2,3%	14
E62334	805	1705		2,6%	16
E62335	905	1705	900	2,3%	16
E62336	805	1805		2,6%	16
